

### 7.3 Institutional Distinctiveness

Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust.

The college visualizes a future where Women Empowerment is no more a goal but a reality. The institution, as a seat of higher education provides amicable opportunities as well as facilities and tools to its students for the throughput of factual knowledge and exposure enabling the metamorphosis of these facts into rational action – taking potential. The thrust is to work towards profound changes in knowledge, skills and attitudes of the students and empower them to be effective leaders in their chosen professions, valued members of their communities, and responsible citizens of the world.

Social Transformation, especially of rural women through dissemination of specialized knowledge and life- skills is an endeavour to ensure a strong Nation in a sustainable and developed world full of new challenges and threats. The journey of this pursuit of excellence begins with enlightening the students about their inner self and making them proficient in critical thinking and problem solving -making them a thinker and a doer. The tutoring in this institution is aimed at training of minds and training of soul, it proposes to give both knowledge and wisdom.

The well-defined administrative structure ensures quality teaching at all levels. The Best Practices being followed give an insight into the fruitful endeavors of transforming the youngsters of today into responsible and benevolent citizens of tomorrow.

The exemplary performance of our students in academic and para-academic activities has made this institution a hub of successful, holistic and lifelong learning. The bounty of first ten positions in the University exams has helped us create a niche for ourselves and has established us as an institution creating engaging and inclusive learning environments. Numerous prizes in a plethora of extra-curricular activities enable our students to discover their real potential-becoming far more confident, self-reliant beings with enhanced horizons.

The steady haul of lofty achievements in sports has made KCW the nerve center of holistic growth, doling out sportswomen of mettle and grit. Our sports kitty has many feathers in its hat and awards of national and international levels have made our institution and our nation proud. The fitness of body is accentuated by the finesse of mind through various mental health drives and awareness campaigns. The experiential learning paradigms and practices such as *Peer Learning* and *Earn while you Learn* give a platform to the students to emphathize and work for their betterment and that of their fellow students.

The students are groomed as rational agents of social change, aware of their heritage and roots and fully committed to give back to the society through cognizant display of their social responsibilities, not only towards the community but also the environment that we live in. A stalwart of holistic education, this institution has made a mark in the community and is forever committed to usher in a new society where justice and human values prevail.
